Important Notices Regarding Your Earthquake Insurance

This policy is issued by the **PACIFIC SPECIALTY INSURANCE COMPANY**. Throughout the policy and these Important Notices, whenever a term appears in **bold print** it has the special meaning stated in the **Definitions** of the policy, and no other meaning.

This policy provides coverage for **earthquake** losses only. The policy terms may be different than coverage you have purchased in the past, and is very different from your Homeowners coverage. **We** urge **you** to read the entire policy carefully.

The **limits of insurance** amounts shown on the DECLARATIONS of the policy, when issued, **are the most that the policy will pay for any single loss after the policy Deductibles have been met**. It is **your** responsibility, as the **insured**, to determine the appropriate amount of coverage to purchase. Given the effect a catastrophic event such as an **earthquake** has on the market conditions for building supplies and labor, this policy contains no guarantee that **you**, the **insured**, will be able to rebuild the dwelling or replace **your** personal property.

THE COVERAGE PROVIDED BY THIS POLICY MAY NOT BE SUFFICIENT TO REPLACE THE PROPERTY YOU HAD BEFORE THE EARTHQUAKE. IT IS YOUR RESPONSIBILITY TO REQUEST THE APPROPRIATE LIMITS OF INSURANCE.

If the insured dwelling has not been built or remodeled using construction methods (retrofitting) that are **earthquake hazard reductions** to help minimize **earthquake** damage, the Limited Building Code Upgrade coverage within this policy will NOT be provided.

Separate deductibles apply to **your** coverage and are stated as specific amounts on the DECLARATIONS and are calculated by **us** as a percentage of the **limits of insurance** stated on the DECLARATIONS.

The application submitted to **us** by **you** through **your** insurance broker is the basis of **our** decision to insure or not insure **you**.

You and **we** agree that the statements of fact made on the application are material to the risk **we** assume and some of the bases of **our** decision to insure or not insure **you**.

You also promise to maintain a **companion policy** concurrently with this policy.

If **you** have any questions please contact **your** broker who represented **you** in acquiring this policy from **Pacific Specialty Insurance Company**.

AGREEMENT

We will provide the insurance described in this policy in return for the premium and **your** promise to fulfill all terms, conditions and warranties of this policy. **We** only insure for direct physical loss caused by an **earthquake**, which commences during the policy period to property described under the Property Covered and Other Coverage Sections in this policy. One or more **earthquakes** that occur within a seventy-two hour period will be considered a single **covered event**.

The policy period shown in the DECLARATIONS will begin and end at 12:01 A.M. standard time at the location of the property described in the DECLARATIONS.

(i)–(ii) above within 365 days of the date **you** gave **us** written notice that **you** were making claim on a **replacement cost** basis **you** will give up **your** claim for the difference between the **actual cash value** loss and the **replacement cost** loss.
- b. Personal Property
- Loss to personal property will be settled at **replacement cost** without deduction for depreciation for the amount necessary to repair or replace the damaged property with articles of like kind and quality, subject to the applicable **limit of insurance**.
 - To collect **replacement cost** in addition to **actual cash value** **you** must:
 - Submit proof to **us** that **you** have actually replaced or repaired the damaged personal property with material of **equivalent kind and quality** for an amount greater than the **actual cash value** loss.
 - Submit proof to **us** that **you** have actually spent more than the **actual cash value** amount of loss or up to the **limit of insurance**, whichever is the smaller amount.
 - Failure to submit the proof required by b. ii. a.-b. above within 365 days of the date **you** gave **us** written notice that **you** were making claim on a **replacement cost** basis will forfeit **your** claim for the difference between the **actual cash value** and the **replacement cost**.
- iii. This **replacement cost** coverage does not apply to:
- Fine arts.**
 - Property which by its inherent nature cannot be replaced;
 - Property not maintained in good or workable condition at the time of the **earthquake**.

- d. Property not being used by **you** or stored for such use.
- iv. Our liability for loss to any property insured under this policy will not exceed the smallest of the following:
 - a. The cost of repair or restoration.
 - b. The **replacement cost** at time of loss; or
 - c. Any **limit of insurance**, or special **sublimits** described in the policy.

7. POLICY PERIOD

This policy applies only to loss by **earthquake** which happens during the policy period shown on the DECLARATIONS.

8. APPRAISAL

If **you** and **we** fail to agree on the amount of loss, either may demand the arbitration of the amount of loss, called an "appraisal." In the event **you** and **we** fail to agree on the amount of loss and either **you** or **us** demand appraisal, each party will choose a competent and disinterested appraiser within twenty (20) days after receiving a written request from the other. The two appraisers will choose an umpire. If they cannot agree upon an umpire within fifteen (15) days, **you** or **we** may request that the choice be made by a judge of a court in the County where the **dwelling** is located. The appraisers will only set the amount of loss. If the appraisers submit a written report of an agreement to **you** and **us**, the amount agreed upon will be the amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two (called an appraisal award) will set the amount of loss when it is delivered to **you** and **us**. **You** will pay your appraiser. **We** will pay our appraiser. **You** and **we** will share equally the other expenses of the appraisal and the umpire.

9. OTHER INSURANCE

- a. **You** may have other insurance subject to the same plan, terms, conditions and provisions as the insurance under this policy. If **you** do, **we** will pay **our** share of the covered loss or damage. **Our** share is the proportion that the **limits of insurance** under this policy bears to the **limits of insurance** of all policies covering on the same basis.
- b. If there is other insurance covering the same loss or damage, other than described in a., above, **we** will pay only for the amount of covered loss or damage in excess of the amount due from that other insurance. **We** will not pay more than the **limit of insurance** less the amount due from that other Insurer.

10. ASSIGNMENT

Assignment of this policy will not be valid unless **we** give **our** written consent. **You** may, without our consent, assign to any person, all or part of a claim after an **earthquake** loss.

11. SUBROGATION

We may require an assignment of rights of recovery for a loss to the extent that payment is made by **us**. If an assignment is sought, **you** and any person insured must sign and deliver all related papers and cooperate with **us**. If **we** request, **you** will appear in court or sign any documents necessary to assist **us** in perfecting the claim of recovery against any person.

12. SALVAGE VALUE

Any value that may be realized from salvage will not diminish the amount owed by you under the deductible clause nor will it reduce the applicable **limit of insurance**. **We** need not take, but **you** grant **us** all rights to salvage.

13. ABANDONMENT OF PROPERTY

We need not accept any property abandoned by **you**.

14. OUR OPTION

If **we** give **you** written notice within 30 days after **we** receive **your** signed, sworn proof of loss, **we** may repair or replace any part of the damaged property with **equivalent kind and quality**.

15. LOSS PAYMENT

We will adjust all losses with **you**. **We** will pay **you** unless some other person is named in the policy or is legally entitled to receive payment. Loss will be payable 30 days after **we** receive **your** proof of loss and:

- a. **We** reach an agreement with **you** expressed in writing from **us** to **you**;
- b. There is a filing of an appraisal award with **us**; or
- c. There is an entry of a final judgment.

16. MORTGAGE CLAUSE

The word "mortgagee" includes trustee. If a mortgagee is named as a loss payee in the **earthquake** policy, any loss payable under Coverage A. **Dwelling** will be paid to the mortgagee, to the extent of its interest, and to **you**. If more than one mortgagee is so named, the order of payment will be the same as the order of precedence of the mortgages.

If **we** deny **your** claim, that denial will not apply to a valid claim of the mortgagee, if the mortgagee:

- a. Notifies **us** of any change in ownership, occupancy or substantial change in risk of which the mortgagee is aware;
- b. Pays any premium due under this policy on demand if **you** have neglected to pay the premium, and Submits a signed, sworn statement of loss within 60 days after receiving notice from **us** of **your** failure to submit a sworn proof of loss as required by this policy. Policy conditions relating to Appraisal, Suit Against Us and Loss Payment apply to the mortgagee.

If **we** decide to cancel or not to renew this policy, the mortgagee will be notified at least 10 days before the date cancellation or non-renewal takes effect. If **we** pay the mortgagee for any loss and deny payment to **you**:

- a. **we** are subrogated to all the rights of the mortgagee granted under the mortgage on the property, or
- b. At **our** option, **we** may pay to the mortgagee the whole principal on the mortgage plus any accrued interest. In this event, **we** will receive a full assignment and transfer of the mortgage and all securities held as collateral to the mortgage debt.

Subrogation will not impair the right of the mortgagee to recover the full amount of the mortgagee's claim.

17. NO BENEFIT TO BAILEE

We will not recognize any assignment or grant any coverage that benefits a person or organization holding, storing or moving property for a fee regardless of any other provision of this policy.

18. CANCELLATION

- a. **You** may cancel this policy at any time by returning it to **us** or by letting **us** know in writing of the date cancellation is to take effect.
- b. **We** may cancel this policy only for the reasons stated in this condition by notifying **you** in writing of the date cancellation takes effect. This cancellation notice may be delivered to **you**, or mailed to **you** at **your** mailing address shown in the DECLARATIONS.
 - i. When **you** have not paid the premium, **we** may cancel at any time by notifying you at least 10 days before the cancellation takes effect.
 - ii. When this policy has been in effect for less than 60 days and is not a renewal with us, **we** may cancel for any reason or if **we** discover that the risk does not meet **our** underwriting guidelines, by mailing notice to **you** at least 10 days before the date the cancellation takes effect.
- c. When this policy has been in effect for 60 days or more, or at any time if it is a renewal with **us**, **we** may cancel if there has been:
 - i. a conviction of the **named insured** of a crime having as one of its necessary elements an act increasing any hazard insured against; or

- ii. discovery of fraud or material misrepresentation; or
 - iii. discovery of grossly negligent acts or omissions by the **insured** or his or her representative substantially increasing any of the hazards insured against; or
 - iv. physical changes in the property described in the DECLARATIONS which result in the property becoming uninsurable.
- d. When this policy is canceled, the premium for the period from the date of cancellation to the expiration date will be refunded. When the policy is canceled, the return premium will be pro-rata.
 - e. If, when **we** cancel this policy, the return premium is not refunded with the notice of cancellation, **we** will refund it within 30 days after the date cancellation takes effect. If, when **you** cancel this policy, the return premium is not refunded when this policy is returned to us, **we** will refund it within 30 days after the date the cancellation takes effect.
 - f. Proof of mailing will be sufficient proof of notice.

19. NON-RENEWAL

We may elect not to renew this policy by delivering to **you** or mailing to **you** at **your** mailing address shown in the DECLARATIONS written notice, at least 45 days before the expiration date of this policy. Proof of mailing will be sufficient proof of notice.

20. WAIVER OR CHANGE OF POLICY PROVISIONS

A waiver or change of a provision of this policy must be in writing by **us** to be valid. **Our** request for an appraisal or examination will not waive any of **our** rights.

21. LOSS TO A PAIR OR SET

In case of loss to a pair or set **we** may elect to:

- i. repair or replace any part to restore the pair or set to its value before the loss; or
- ii. pay the difference between the value of the property before and after the loss.

22. GLASS REPLACEMENT

Claims for damage to glass caused by an **earthquake** will be settled on the basis of replacement with safety glazing materials when required by ordinance or law.

23. YOUR DUTY TO SELECT AND MAINTAIN THE LIMITS OF INSURANCE

It is **your** responsibility to select and maintain the **limits of insurance**. This includes adjusting **your** coverage in the event of renovations, remodels or additions to **your dwelling**, appurtenant structures or personal property.

We will adjust annually, either up or down, **your dwelling limit of insurance** based upon factors for **your** area supplied to us by recognized appraisal agencies. This adjustment will be made on the renewal date of your policy. You will be notified in advance of the new amount of coverage. Payment of **your** renewal premium is all that is necessary to indicate your acceptance of the new amount.

This policy contains **NO GUARANTEE** that the limits quoted, offered, or selected will be sufficient to rebuild **your Dwelling** or replace **your** personal property. **We** will never pay more than the **limit of insurance** or any **sublimit** of insurance.

24. DEATH

If **you** die, **we** insure:

- a. **your** legal representatives but only with respect to the property of the deceased covered under the policy at the time of death;
- b. with respect to **your** property, the person having proper temporary custody of the property until appointment and qualification of a legal representative.

25. SUIT AGAINST US

No action can be brought unless all the conditions and **warranties** have been complied with by **you** and the action is started within one (1) year after the **earthquake** unless **you** report the loss to **us** promptly and then within one (1) year after **we** advise **you** your claim is denied.

WARRANTIES

We rely on **your** compliance with the **warranties** listed below. **You** and **we** agree that each of the **warranties** are material to **our** decision to insure or not insure **you**. When a **warranty** is not fulfilled at the date and time this policy comes into effect this policy does not attach to the risk. When the **warranty** is broken on or after the day and time this policy comes into effect **you** agree that this policy is void, of no effect and **you** have no right to present claim to **us** for any **earthquake** loss:

1. All statements of fact made by **you**, or on **your** behalf, in the **application(s)** for insurance submitted to **us** are true.
2. You shall maintain, concurrently with this policy, a **companion policy**.
