**INSURANCE 101**  
for Teen Drivers

Thank you downloading the *Insurance 101 for Teen Drivers* teaching module.

Steps for ease of use:

1. Open the PowerPoint FIRST, and review all content before use including instructions and speaker's talking points on each slide.
2. Test the PowerPoint in display mode to familiarize yourself with all animation and sound effects.
3. Print enough color copies of the supporting materials – definition of terms handout, game worksheet and quiz – for all students.
