(d) Whether or not such person has ever been convicted of any felony or of a misdemeanor involving moral turpitude, dishonesty, or breach of trust, during his or her lifetime, and if so, the date, nature of conviction, name and location of court, and penalty imposed or other disposition of the case.

(e) Whether or not such person has ever been convicted in a criminal proceeding (excluding minor traffic violations) or any administrative discipline during the last ten years and, if so, give the date, nature of conviction or administrative order, name and location of court or administrative agency or board, and penalty imposed or other disposition of the case.

Such statements may be prepared on either an individual basis, or, unless the Commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business. The annual financial statements of the applicant shall be accompanied by the certificate of an independent public accountant to the effect that such statements present fairly the financial position of the applicant and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of insurance or other accounting principles prescribed or permitted under law. If the applicant is an HMO which is actively engaged in the business, the financial statements need not be certified, provided they are based on the Annual Statement of such person filed with the regulatory department of the person's domiciliary State and are in accordance with the requirements of the NAIC Accounting Practices and Procedures Manual or other accounting principles prescribed or permitted under the law and regulations of such state.
