The chart or listing should show the percentage of each class of voting securities of each affiliate, which is owned, directly or indirectly, by another affiliate. If control of any person within the system is maintained other than by the ownership or control of voting securities, indicate the basis of such control. As to each person specified in such chart or listing indicate the type of organization (e.g., corporation, trust, partnership) and the state or other jurisdiction of domicile.

(g) dividends and other distributions to shareholders;

(h) consolidated tax allocation agreements; and

(i) any pledge of the Registrant's stock and/or of the stock of any subsidiary or controlling affiliate, for a loan made to any member of the holding company system.

No information need be disclosed if such information is not material for purposes of O.A.C. 365:40-3-12. Sales, purchases, exchanges, loans or extensions of credit, investments or guarantees involving one-half of 1% or less of the Registrant's admitted assets as of the 31st day of December next preceding shall not be deemed material. The description shall be in a manner as to permit the proper evaluation thereof by the Commissioner, and shall include at least the following: the nature and purpose of the transaction; the nature and amount of any payments or transfers of assets between the parties; the identity of all parties to such transaction; and the relationship of the affiliated parties to the Registrant.

ITEM 6. Litigation or administrative proceedings

A brief description of any litigation or administrative proceedings of the following types, either then pending or concluded within the preceding fiscal year, to which the ultimate controlling person or any of its directors or executive officers was a party or of which the property of any such person is or was the subject; give the names of the parties and the court or agency in which such litigation or proceeding is or was pending:

(a) Criminal prosecutions or administrative proceedings by any government agency or authority which may be relevant to the trustworthiness of any party thereto; and

(b) Proceedings which may have a material effect upon the solvency or capital structure of the ultimate holding company including, but not necessarily limited to, bankruptcy, receivership or other corporate reorganizations.

ITEM 7. Statement regarding plan or series of transactions

The HMO shall furnish a statement that transactions entered into since the filing of the prior year's annual registration statement are not part of a plan or series of like transactions, the purpose of which is to avoid statutory threshold amounts and the review that might otherwise occur.

ITEM 8. Financial statements and exhibits

(a) Financial statements and exhibits should be attached to this statement as an appendix, but list under this item the financial statements and exhibits so attached.

(b) The financial statements shall include the annual financial statements of the ultimate controlling person in the holding company system as of the end of the person's latest fiscal year. If at the time of the initial registration, the annual financial statements for the latest fiscal year are not available, annual statements for the previous fiscal year may be filed and similar financial information shall be filed for any subsequent period to the extent such information is available. Such financial statements may be prepared on either an individual basis, or unless the Commissioner otherwise requires, on a consolidated basis if such consolidated statements are prepared in the usual course of business. Unless the Commissioner otherwise permits, the annual financial statements shall be accompanied by the certificate of an independent public accountant to the effect that such statements present fairly the financial position of the ultimate controlling person and the results of its operations for the year then ended, in conformity with generally accepted accounting principles or with requirements of the NAIC Accounting Practices and Procedures Manual or other accounting principles prescribed or permitted under law. If the ultimate controlling person is an HMO which is actively engaged in the business, the annual financial statements need not be certified, provided they are based on the Annual Statement of such HMO filed with the regulatory department of the HMO's domiciliary State and are in accordance with requirements of the NAIC Accounting Practices and Procedures Manual or other accounting principles prescribed or permitted under the law and regulations of such state.

(c) Exhibits shall include copies of the latest annual reports to shareholders of the ultimate controlling person and proxy material used by the ultimate controlling person; and any additional documents or papers required by HMO Form B or O.A.C. 365:40-3-15.
