# New Exam Vendor for Oklahoma Insurance & Bail Bonds Licenses: Effective May 1, 2018

The State of Oklahoma is pleased to announce that, **beginning May 1, 2018**, Prometric, will administer the examinations for Insurance and Bail Bonds.

Prometric is a leading authority in testing and assessment and has more than two decades specializing in state licensing examinations. We believe its state-of-the-art testing centers and quality service offer candidates more choice and support for where and when they want to take their exams.

### **Scheduling Opens April 11, 2018.**

Candidates can register and schedule their exams in Prometric Test Centers starting April 11, 2018.

### **Existing Exams and Exam Content Outlines Remain the Same.**

While Prometric is our new exam service provider, we are not changing exams or exam content outlines. This is good news for candidates who have been preparing for or need to retake an exam.

### **Our Commitment to Provide a Positive Testing Experience Is Stronger Than Ever.**

Our partnership with Prometric offers many more enhancements for candidates.

While candidates will notice some slight changes to the scheduling and registration process, the dedicated [Oklahoma Insurance Department - License exam webpage](#) will:

- Offer easy-to-follow instructions and instant access to resources they may need to prepare for test day.
- Focus on candidate service and conveniently-located testing centers across the state—offering support and plenty of available seats in a comfortable, yet secure testing environment.
- Provide a user-friendly test interface that features the latest in web-based navigation tools and larger screen displays.

### **Get Your Candidates Ready for Testing Before May 1.**

Please take a few moments to visit the [Oklahoma Insurance Department - License exam webpage](#). There, you can learn more about Prometric and the improved administrative procedures that have been put in place to continue our strong tradition of success for the Oklahoma Insurance licensing program.
