

2016 ANNUAL REPORT

PROTECTING AND ENHANCING THE FINANCIAL SECURITY OF OKLAHOMANS

INSURANCE COMMISSIONER JOHN D. DOAK

The Honorable Mary Fallin, Governor of Oklahoma
The Honorable Brian Bingman, President Pro Tempore of the Senate
The Honorable Jeffrey Hickman, Speaker of the House
The Honorable Gary Jones, State Auditor and Inspector

Over the last six years it has been my great honor to serve the people of Oklahoma as Insurance Commissioner. The staff of the Oklahoma Insurance Department is a team of dedicated public servants who work hard every day to protect consumers and ensure that our insurance markets remain competitive. I couldn't be prouder of what we have accomplished.

To that end, it is my pleasure to present to you the Oklahoma Insurance Department's 2016 Annual Report. This report reflects the activities of the department and summarizes the financial disclosure and listing of companies operating in Oklahoma.

Should you have any questions about the content of this report, my staff and I are at your disposal.

Respectfully,

A handwritten signature in black ink that reads "John D. Doak".

John D. Doak
Oklahoma Insurance Commissioner

The Oklahoma Insurance Department is accredited by the National Association of Insurance Commissioners (NAIC) until 2020.

To achieve this accreditation, the Department must meet stringent national standards that demonstrate financial solvency regulation of insurance companies.

The accreditation principles set by the NAIC allow the Department to better protect consumers and set and maintain the highest standards in financial regulation for Oklahoma's insurance industry.

Commissioner Doak and the staff of the Oklahoma Insurance Department view accreditation by the NAIC as an important part of our commitment to the citizens of Oklahoma.

Dear Citizens of Oklahoma,

Few things in life have been more fulfilling than serving these past six years as Oklahoma's Insurance Commissioner. We have seen many highs but we have also stood strong through some of the largest disasters this state has ever seen. This year's annual report gives consumers a snapshot into the various divisions of the Insurance Department and the entities it regulates.

Each and every year I am reminded that Oklahomans stand strong in the midst of adversity, which furthers my resolve to stay true to our mission of "Protecting Oklahomans." My office will faithfully enforce the insurance laws and regulations fairly, assist consumers with insurance-related issues and improve our services to the insurance agent and producer community. Consistent with my passion for protecting consumers, along with the statutory obligation to educate the public, my office will continue to do everything in its power to be a resource for all Oklahomans. Some highlights of the last year include:

- Visiting ten counties to answer questions about earthquake insurance
- Returning nearly half a million dollars to beneficiaries of lost life insurance policies
- Recovering \$3,844,826 for Oklahomans who called our Consumer Assistance Division
- Passing Senate Bill 1186 to allow members of the U.S. Armed Forces and Oklahoma National Guard to obtain an insurance license
- Reaching 52,248 people at community events

Our mission is only fulfilled by the great people who work at the Oklahoma Insurance Department. They always put the Oklahoma consumer first, which speaks to the quality of staff I'm blessed to lead. Thanks for the opportunity to serve as your Commissioner and, as always, if you ever have questions or need assistance, don't hesitate to contact my office at 1-800-522-0071.

Best,

A handwritten signature in black ink that reads "John D. Doak". The signature is written in a cursive, flowing style.

ABOUT COMMISSIONER JOHN D. DOAK

In January 2011, John D. Doak was sworn into office as the 12th Insurance Commissioner of Oklahoma. In 2014, voters awarded Commissioner Doak's unparalleled performance with a second term and a record 77 percent of the vote.

Under Commissioner Doak's leadership, the Oklahoma Insurance Department (OID) has been transformed into a proactive consumer-oriented governmental body that is physically present to provide consumer assistance to those who have been impacted by catastrophic events such as tornadoes, wildfires, and earthquakes.

Commissioner Doak is a graduate from the University of Oklahoma with a Bachelor of Arts in Political Science who, shortly after college, launched a successful insurance business in Tulsa. As his career thrived, Doak worked in numerous roles within the insurance industry. He served as an executive for several risk and insurance service companies including Marsh, Aon, HNI and Ascension.

TOP ACCOMPLISHMENTS

1. Earthquake Insurance Outreach

In order to address growing concerns about earthquake insurance, OID hosted ten outreach events across the state. Consumers were able to meet with OID representatives for one-on-one conversations about their earthquake insurance policies.

2. Mental Health PSA

This year, OID partnered with Cathy Costello to raise awareness about insurance options for mental health treatment. Cathy is the wife of slain Oklahoma Labor Commissioner, Mark Costello. Cathy and Mark struggled for eight years to find treatment for their son Christian's mental illness. He now awaits trial for his father's murder.

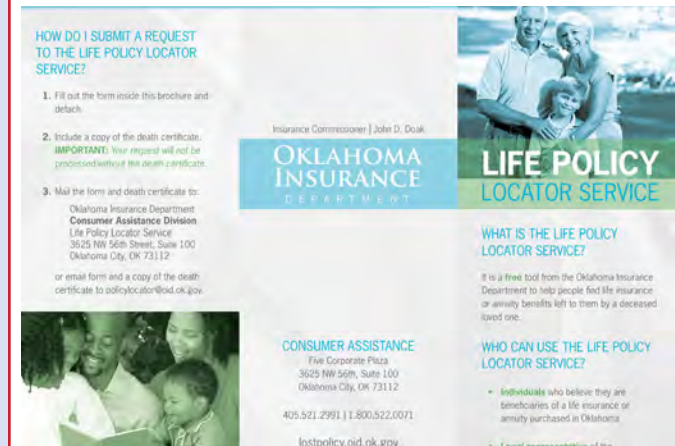

3. Consumer Assistance Success

By answering phone calls, returning emails, writing letters, meeting consumers face-to-face and attending outreach events, the Consumer Assistance Division helps consumers in a variety of ways. All that hard work led to the recovery of \$3,844,826 in 2015.

4. Life Policy Locator

The Oklahoma Insurance Department's Lost Life Insurance Policy Locator Service helps Oklahoma consumers find lost life insurance policies purchased by deceased loved ones. In 2015, OID located 27 policies totaling \$452,707.

5. Anti-Fraud Charges

The Anti-Fraud Unit's CLEET-certified law enforcement officers protect consumers by investigating white-collar insurance crimes such as embezzlement, exploitation and fraud. In 2015, their actions led to the recovery of \$178,050. The Unit submitted 23 cases for criminal prosecution and 29 for administrative action.

CONSUMER ASSISTANCE

The Consumer Assistance/Claims Division is the connection between consumers, the Insurance Department and insurance companies. The team answers insurance questions and investigates consumer complaints. The Division also educates Oklahomans through a variety of avenues including phone calls, emails, website inquiries, written correspondence, face-to-face meetings and through community outreach activities. The Consumer Assistance Division also plays a big role in the Oklahoma Insurance Department's disaster response team by providing onsite assistance to policyholders suffering catastrophic losses.

Success Stories

- ✱ The son of an 83-year-old man found that his father had been paying on a “first occurrence cancer policy” since 2008. After several failed attempts dealing directly with the company, the son contacted OID for help. After reviewing the policy and talking with the family, the Consumer Assistance Division found that the 83-year-old father never qualified for the coverage as he had been diagnosed with cancer prior to the inception of the policy in 2008. Upon confirming with the insurance carrier that the policy only covered an individual’s first cancer diagnosis, the Consumer Assistance Division was able to obtain a full refund of over \$2,000 in premiums paid.
- ✱ A consumer with Uninsured Motorist/Underinsured Motorists (UM/UIM) coverage suffered a loss and was unable to settle the claim due to the adjuster failing to return calls and show up for scheduled meetings. Out of frustration, the consumer contacted the Consumer Assistance Division for help. The Consumer Assistance Division immediately contacted the insurance company resulting in the issuance of a check the next day for over \$30,000.
- ✱ A homeowner requiring a new roof after a hail storm found that the City of Moore required new decking which his insurance company refused to pay. The Consumer Assistance Division intervened, resulting in the insurance company paying an additional \$6,000 for additional repairs.

COMMUNITY OUTREACH

Fortified Home Initiative

Commissioner Doak is passionate about the safety and security of Oklahomans. That's why he is supporting an initiative to build homes that are more resistant to high winds and hailstorms. The City of Moore has already changed its building code to make sure new homes are stronger than the ones destroyed in the May 20, 2013 tornado. Now, Commissioner Doak is encouraging other communities to follow suit.

"Oklahoma knows firsthand the devastating impact of severe weather," said Doak. "We simply cannot keep rebuilding communities in the same ways and expect a different result. We've got to do better for our citizens."

Commissioner Doak has partnered with the Insurance Institute for Business and Home Safety (IBHS) to spread the word about the benefits of its FORTIFIED Home High Wind and Hail programs. They provide a uniform, voluntary, superior set of standards to help improve a home's resilience by adding system-specific upgrades to minimum code requirements. IBHS engineers believe that property damage to homes from EF-0, EF-1 and EF-2 tornadoes can be virtually eliminated if they are built or retrofitted using FORTIFIED standards.

Commissioner Doak announces his support of the FORTIFIED home standards at the National Tornado Summit.

Tribal Outreach Efforts

Oklahoma is home to more than 352,000 American Indians, many of which do not have adequate insurance coverage. Commissioner Doak wants to help change that. By increasing awareness, he hopes to encourage more American Indians to purchase insurance that will improve their health and financial well-being. To accomplish this goal, OID representatives met with tribal leaders. As a result of these meetings, the OID's "Insurance 101" brochure is now available at multiple tribal locations and will be distributed at tribal events across the state. The brochure explains the basics of home, auto, health and life insurance, and also describes the free services offered by OID.

ISO REVIEW PROGRAM

The Insurance Services Office (ISO) Review Program evaluates and educates local fire departments. The program helps departments earn an improved ISO Rating which can save residents money on homeowners insurance.

Kevin Stoneking, ISO Coordinator

How are ISO Ratings determined?

The ISO Program provides a nationwide standard for the rating system that ranges from 1 to 10. A Class 1 rating indicates superior protection, while a Class 10 indicates that the area's protection doesn't meet the minimum criteria.

A community's rating depends on an evaluation of:

- Water supply system including the condition and maintenance of hydrants and the amount of water available
- Fire alarm and communication systems including telephone lines and dispatching systems
- Fire department staff, equipment and training

What is an ISO rating?

Through the Public Protection Classification (PPC™) program, ISO evaluates the quality of public fire protection in more than 47,500 fire protection areas across the United States and assigns a PPC grading from 1 to 10. Insurance companies use the PPC to help establish fair premiums and municipalities use it as a benchmark for measuring the effectiveness of their fire-protection services. [More>>](#)

What goes into an ISO evaluation?

The Fire Suppression Rating Schedule (FSRS) is a manual containing the criteria ISO uses in reviewing the fire prevention and fire suppression capabilities of individual communities or fire protection areas. The evaluation includes the fire department, water supply system, emergency communications, and community efforts to reduce the risk of fire. [More>>](#)

What are the benefits of an ISO evaluation?

A community's investment in fire mitigation is a proven and reliable predictor of future fire losses. Insurance companies use PPC information to help establish fair premiums for fire insurance — generally offering lower premiums in communities with better protection. The program also provides help for fire departments and other public officials as they plan, budget for, and justify improvements. [More>>](#)

CASE FILE

Suspect: Robert Campbell II & Larry Ezell **Charges: Insurance Fraud**

Summary: An investigation by the Anti-Fraud Unit led to the arrest of two men accused of burying a pickup truck that was later reported stolen. Robert Campbell II, 49, of Salina and Larry Ezell, 26, of Ketchum were charged with insurance fraud. The charges are the result of a joint investigation by the Oklahoma Insurance Department, Langley Police Department,

Mayes County Sheriff's Office, Craig County Sheriff's Office, Delaware County Sheriff's Office and the Oklahoma Department of Agriculture.

The pickup truck, a 2014 Chevrolet Silverado, was reported stolen on Dec. 4, 2014. The insurance company settled the \$28,068 claim about three months later. The investigation began after the custom wheels and tires from the missing pickup truck were spotted on another vehicle in Craig County. The owner of that vehicle told police he purchased the wheels and tires from Ezell. When questioned by police, Ezell said he buried the truck to get out of debt with Campbell.

CASE FILE

Suspect: Gary Hibbing **Charges: Wire Fraud & Money Laundering**

Summary: A former insurance agent has been sentenced to 27 months in prison for fraud. Gary Edward Hibbing, 53, pleaded guilty to two counts of wire fraud and two counts of money laundering. Hibbing, former owner of Grand Lake Investments and Insurance in Grove, was also ordered to pay

\$505,126.43 in restitution. His federal prison term will be followed by three years of supervised release.

Through a joint investigation with the U.S Attorney's Office, Oklahoma Insurance Department investigators found that Hibbing defrauded his victims through a scheme called "twisting." Hibbing convinced his clients to surrender existing annuities in exchange for new ones. Because there is a penalty for early termination of an annuity, the clients lost money while Hibbing made money on a new commission. Investigators found twisting tied to 80 different annuity policies from Oct. 17, 2007 to March 4, 2013.

2016 Legislative Accomplishments

Every legislative session, OID works with state lawmakers to craft bills that benefit consumers and businesses. For OID, 2016 was another successful year at the Capitol. Gov. Mary Fallin signed nine OID-requested bills into law. Four of those bills are highlighted below.

- ✳ **House Bill 2715** requires a service warranty association to print its name and license number on every contract prior to sale and to provide a consumer with a complete sample copy of all terms and conditions upon request. Additionally, a service warranty association must provide a response to any inquiry from a consumer or the Commissioner within 30 days. The Commissioner is authorized to examine the claims files of any association in the same manner as an insurance company.
- ✳ **House Bill 2922** requires a bail bondsman to always carry his or her license while engaged in apprehending or surrendering a client whose bond has forfeited, and to present that license to any law enforcement officer immediately upon request.
- ✳ **Senate Bill 1488** updates Oklahoma's Credit for Reinsurance Act to allow a domestic company to take a credit for reinsurance ceded to an assuming insurer that is certified by the Commissioner. To be eligible for certification, the assuming insurer must be domiciled and licensed in a qualified jurisdiction, maintain minimum capital and surplus levels, maintain certain financial strength ratings, and agree to completely submit to the jurisdiction of the State of Oklahoma.

Oklahoma captives had over \$111 million in written premium in 2015

Was 2015 a successful year? How many captives did you license?

Yes, 2015 was a successful year as Oklahoma continued to experience strong interest and growth in our captive industry thanks to the modernization reforms that went into effect in November 2013. During 2015, Oklahoma licensed 26 captives, bringing our year-end total to 73, and that number continues to increase.
