The Honorable Mary Fallin, Governor of Oklahoma
The Honorable Brian Bingman, President Pro Tempore of the Senate
The Honorable Kris Steele, Speaker of the House
The Honorable Gary Jones, State Auditor and Inspector

I present to you the 2011 Annual Report of the Oklahoma Insurance Department.

In accordance with Oklahoma Statutes Title 36 § 307 this report summarizes the financial disclosure and listing of operating companies in Oklahoma and the activities of the Oklahoma Insurance Department through the period ending Dec. 31, 2010.

I am honored to have served the people of Oklahoma since Jan. 10, 2011. This report represents the work of the previous administration. Should there be any questions about the contents of this report, my staff and I are at the disposal of both the citizens and the elected officials of Oklahoma.

Sincerely,

A handwritten signature in black ink that reads 'John D. Doak'.

John D. Doak
 Oklahoma Insurance Commissioner

The Oklahoma Insurance Department is accredited by the National Association of Insurance Commissioners (NAIC).

To achieve this accreditation, the Department must meet stringent national standards that demonstrate it effectively regulates insurance companies for solvency.

Commissioner Doak and the staff of the Oklahoma Insurance Department view accreditation by the NAIC as an important part of our commitment to the citizens of Oklahoma.

Accreditation standards enable us to provide expanded consumer protections and to institute and maintain the highest standards in financial regulation.

The Department in 2011 underwent an interim review restoring full five-year accreditation, confirming that significant improvement had occurred since March 2010 when the NAIC issued the prior administration only a provisional accreditation.

ABOUT JOHN D. DOAK

Oklahoma Native and Tulsa resident John D. Doak was sworn in as the 12th Insurance Commissioner of Oklahoma on Jan. 10, 2011.

As Insurance Commissioner, Doak pledges to work with the industry, fostering competition and innovation in insurance products and serving as an advocate for common sense solutions to insurance issues, benefiting all Oklahomans.

Commissioner Doak graduated in 1988 from the University of Oklahoma with a Bachelor of Arts degree in political science.

He began his insurance career shortly after college graduation by founding his own branch of the Farmers Insurance Agency in Tulsa. As an entrepreneur Doak grew his small business, employing other agents and support staff as the agency gained customers throughout the Tulsa-area. Over the course of six years he would receive numerous awards and commendations for his success, including being named Farmers' third Top Life Insurance Salesman in Oklahoma.

Doak left Farmers to work in the executive level of the insurance industry at firms such as Marsh, Aon Risk Services, HNI Risk Services, and finally at Ascension Insurance, where he served as Senior Vice President of Acquisitions.

Such diverse experience in the industry — from small business owner to corporate executive — gives Commissioner Doak a broad understanding of how insurance works; knowledge that benefits the businesses and citizens of Oklahoma.

Current Initiatives

Under Commissioner Doak's leadership the Oklahoma Insurance Department has taken strides to reduce waste, streamline services, and advocate on behalf of Oklahoma consumers.

His administration has cut staffing from a statutory limit of 153 full-time employees to 118 full-time employees, creating a leaner administration and saving taxpayer money.

Through the implementation of new technology the Insurance Department has allowed insurance agents, claims adjusters and citizen policyholders the ability to file and receive information with modern efficiency.

Commissioner Doak and his wife, Debby, live in Tulsa with their children, Zack and Kasey.

2010-2011 TRANSITION

Turn Over Audit

The Office of the State Auditor and Inspector performed a turn over audit of the Oklahoma Insurance Department for the period July 1, 2010 through January 10, 2011. The report was intended to examine internal procedures and the financial records of the Oklahoma Insurance Department during that time frame.

The turnover audit consisted of a review of expenditure claims and sampled the inventory report (office furniture and equipment) for the information and use of the Department management.

Financial Audit

An independent financial audit of the Oklahoma Insurance Department is performed on an annual basis. The audit is conducted in accordance with auditing standards generally accepted in the United States, standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States, and generally accepted accountign principles.

No negative findings were reported in the audit performed for the fiscal year ending June 30, 2010.

Accreditation

An NAIC accreditation review team visited the Oklahoma Insurance Department during February 2010 and concluded that the financial examination section of the accreditation review process did not meet the full five-year accreditation standards. A re-review was required within eighteen months. The normal accreditation is for a full five years.

Soon after taking office, Commissioner Doak set high standards for his staff to address the issues brought up by the accreditation team members. After the re-review, NAIC's accreditation review team left Oklahoma satisfied that its prior concerns were appropriately addressed and corrected. The NAIC found that "substantial improvement" had occurred in OID's processes as the Doak administration implements new and improved protocols. The re-review team leader recommended that Oklahoma be returned to a full, five-year accreditation status, and that standing was confirmed Wednesday, November 2, 2011 by NAIC's Financial Regulation Standards and Accreditation Committee, which consists of 16 insurance commissioners from various states.

LICENSED INSURANCE COMPANIES

The following section illustrates basic financial and other pertinent information concerning the approximately 1,500 insurers licensed as admitted carriers by the Oklahoma Insurance Department. An insurance company that wishes to conduct business in Oklahoma is approved to do so only after a thorough review of its financial condition, record of consumer-related conduct, and any other matters that the Oklahoma Insurance Commissioner deems relevant.

Most insurance policies written in Oklahoma are protected by a Guaranty Association, established to protect policyholders in the event an admitted company becomes financially insolvent.
