2015 ANNUAL REPORT

OKLAHOMA INSURANCE DEPARTMENT

The Honorable Mary Fallin, Governor of Oklahoma
The Honorable Brian Bingman, President Pro Tempore of the Senate
The Honorable Jeffrey Hickman, Speaker of the House
The Honorable Gary Jones, State Auditor and Inspector

Over the last four and a half years it has been my great honor to serve the people of Oklahoma as Insurance Commissioner. The staff of the Oklahoma Insurance Department is a team of dedicated public servants who work hard every day to protect consumers and ensure that our insurance markets remain competitive. I couldn't be prouder of what we have accomplished.

To that end, it is my pleasure to present to you the Oklahoma Insurance Department's 2015 Annual Report. This report reflects the activities of the department and summarizes the financial disclosure and listing of companies operating in Oklahoma.

Should you have any questions about the content of this report, my staff and I are at your disposal.

Respectfully,

A handwritten signature in black ink that reads "John D. Doak".

John D. Doak
Oklahoma Insurance Commissioner

The Oklahoma Insurance Department is accredited by the National Association of Insurance Commissioners (NAIC) until 2020.

To achieve this accreditation, the Department must meet stringent national standards that demonstrate financial solvency regulation of insurance companies.

The accreditation principles set by the NAIC allow the Department to better protect consumers and set and maintain the highest standards in financial regulation for Oklahoma's insurance industry.

Commissioner Doak and the staff of the Oklahoma Insurance Department view accreditation by the NAIC as an important part of our commitment to the citizens of Oklahoma.

2015 ANNUAL REPORT

OKLAHOMA INSURANCE DEPARTMENT

Dear Citizens of Oklahoma,

It has been my distinct honor and privilege to serve the great State of Oklahoma and its citizens for the past five years. The first year of my second term in office was marked with many successes, even in the face of natural disaster. The annual report before you offers a snapshot of the Insurance Department's functions of each division, as well as a look into the Oklahoma insurance industry that we regulate.

The mission of the Oklahoma Insurance Department has always been and will continue to center around "Protecting Oklahomans". Record disasters over the last five years have only proven that we are "Oklahoma Strong". My office will faithfully enforce the insurance laws and regulations fairly, assist consumers with insurance-related issues and improve our services to the insurance agent and producer community.

Moving forward, we will continue to do everything in our power to educate consumers on insurance-related issues while also ensuring Oklahoma has a healthy insurance market. 2015 was the first year of my second term and I am eager to build on the momentum as we move into the final years in office. Here are just a few of our many accomplishments in 2015.

- Held the first-ever Cyber Summit
- Launched a new service to locate lost life insurance policies
- Recovered \$4,293,299 for Oklahoma consumers
- Visited ten cities across the state to educate seniors about fraud
- Helped 133 fire departments improve their Public Protection Classification, resulting in potential home insurance savings for thousands of Oklahomans

Our mission is only fulfilled by the great people who work at the Oklahoma Insurance Department. They always put the Oklahoma consumer first, which speaks to the quality of staff I'm blessed to lead. Thanks for the opportunity to serve as your Commissioner and, as always, if you ever have questions or need assistance, don't hesitate to contact my office.

Best,

A handwritten signature in black ink that reads "John D. Doak".

ABOUT COMMISSIONER JOHN D. DOAK

In January 2011, John D. Doak became the 12th Insurance Commissioner of Oklahoma. He was sworn in to office for a second term on January 12, 2015, after receiving 77 percent of the vote.

Doak graduated from the University of Oklahoma with a Bachelor of Arts in Political Science. Shortly after graduation, Doak opened a successful insurance business in Tulsa.

As his career thrived, Doak worked in numerous roles within the insurance industry. He served as an executive for several risk and insurance service companies including Marsh, Aon, HNI and Ascension.

Under Commissioner Doak's leadership, each year the Oklahoma Insurance Department has operated under budget. In the last four years, the Department has returned a total of \$22.5 million in unspent funds to the state treasury and has generated more than \$1 billion in revenue for the State of Oklahoma.

As an active member of the National Association of Insurance Commissioners, Doak is the Vice Chair of the Property and Casualty Insurance Committee, the Chair of the American Indian and Alaska Native Liaison Committee, and a member of the International Insurance Relations Committee. Doak also shapes important national insurance policy issues as a member of the Government Relations Leadership Council.

Doak is committed to protecting all Oklahomans by his pledge to visit all 77 counties annually. During his visits, which he has done each year since taking office, he promotes public awareness of important insurance issues through education and community outreach.

Doak and his wife Debby live in Tulsa with their children, Zack and Kasey. They are members of the South Tulsa Baptist Church.

This year, Commissioner Doak welcomed former Sen. Ben Nelson to the 2015 National Tornado Summit.

Cimarron County is one of the 77 counties Commissioner Doak will visit by the end of the year.

While touring tornado damage in Sand Springs, Commissioner Doak comforted a storm survivor.

TOP ACCOMPLISHMENTS

1 Cyber Summit

The Oklahoma Insurance Department held its first ever Cyber Summit in 2015. The event welcomed more than 100 insurance industry representatives who gained valuable insight into warding off cyber attacks that leave companies and customers vulnerable to financial ruin.

2 Lost Life Policy Locator

This year, OID launched a new service to locate the lost life insurance policies of deceased loved ones. In less than six months OID located 20 policies worth more than \$360,000.

3 National Tornado Summit

Insurance industry professionals, emergency managers and weather experts came to the 2015 National Tornado Summit with one goal in mind: Protecting communities. More than 1,000 attendees from 38 states heard from top experts in their field and went home better prepared to respond to disasters.

4 Senior Fraud Conferences

Fighting fraud isn't easy. To help seniors stay safe, OID's Medicare Assistance Program visited ten cities across the state to educate them about the latest scams. Seniors learned how to spot a scam, how to avoid it and how to report it.

5 Earthquake Education

Oklahoma's increased earthquake activity has more and more Oklahomans purchasing earthquake insurance. To make sure agents are properly educating consumers about the product, Commissioner Doak issued an emergency rule requiring licensees to complete one hour of continuing education on earthquake insurance every two years. Since the rule was adopted, nearly 7,000 licensees have completed an earthquake course.

CONSUMER ASSISTANCE

The Consumer Assistance/Claims Division educates Oklahomans about insurance by answering questions and investigating consumer complaints about insurance companies, agents and adjusters. The team helps people through a variety of avenues including phone calls, emails, website inquiries, written correspondence, face-to-face meetings and during community outreach activities. The Consumer Assistance Division also plays a big role in the Oklahoma Insurance Department's disaster response efforts by providing insurance advice and assistance to victims across the state.

Success Stories

★ A consumer with an accidental death policy called for help after the insured died from a bizarre accident. The carrier was refusing to pay because the death certificate listed an illness as the cause of death. The Consumer Assistance Division advised the consumer to contact the physician and ask him to write a letter clarifying the injury. After the company received the letter it paid the \$75,000 benefit.

★ A homeowner filed a complaint because her insurance company denied payment for wind damage to her carport. The carport was on the verge of collapse, and the insurer would not pay for debris removal in full. Consumer Assistance contacted her insurance company. The insurer then hired an engineering firm to review the damages. After the engineer determined the damage was caused by wind the homeowner was issued a payment of \$10,000.

★ In March, the Oklahoma Insurance Department started offering a free service to help Oklahomans find lost life insurance policies for deceased loved ones. After a form and death certificate are submitted, OID will contact over 400 licensed insurance companies and ask them to search their records. If a policy is found, the insurance company will contact OID and the beneficiary. The free service has already been a big success. In less than six months, 20 policies have been located and over \$360,000 has been recovered. [Click here](#) to learn more about this free service.

CASE FILE

Suspect: Prentice E. Ponds II

Crime: Robbery by Force, Insurance Fraud

Summary: An investigation by the Oklahoma Insurance Department's Anti-Fraud Unit led to the arrest of Prentice E. Ponds II, 42. Investigators found that Ponds filed a fraudulent insurance claim on a 2014 Chevy Camaro with preexisting damage he'd purchased off eBay.

A licensed insurance adjuster went to Ponds' home to question him about the claim. When he showed Ponds the eBay photos, Ponds became angry and tried to take the file out of his hands. When the adjuster resisted, he said Ponds assaulted him and took his file and audio recorder. The insurance adjuster was later treated for a head laceration and broken ribs.

Ponds, who was on parole for previous felony convictions, was charged with robbery by force and insurance fraud after former conviction of a felony. Bond is set at \$500,000.

CASE FILE

Suspect: Donald Williamson

Crime: Embezzlement, Violation of the Prepaid Funeral Benefits Law

Summary: A Wetumka funeral home director has been sentenced for embezzling more than \$125,000 from 28 families. An investigation by the Oklahoma Insurance Department's Anti-Fraud Unit led to the charges against Donald Williamson, 57.

Williamson owns Williamson-Spradlin Funeral Home in Wetumka. He admitted accepting money for prepaid funerals but not establishing trust funds or purchasing the insurance policies required for payouts. Instead, Williams deposited the money into the funeral home's banking account to use for operating expenses.

Williamson, who took out a personal loan to repay his victims, pleaded no contest to embezzlement and guilty to violating the Prepaid Funeral Benefits Law. The judge gave him a seven-year deferred sentence.

ANTI-FRAUD UNIT

“Educating Oklahoma consumers, especially our seniors, is a key component of OID fraud prevention efforts. Barring successful intervention at the prevention level, ongoing outreach and training with local law enforcement multiplies awareness, investigation, and ultimately, prosecution of fraudulent criminal actors.

—Rick Wagnon, Anti-Fraud Unit Chief

Statewide Outreach Efforts

In 2015, the Anti-Fraud Unit sought to successfully combat insurance crimes in the state of Oklahoma by creating positive working relationships with local law enforcement and enhancing fraud awareness. Per the Commissioner's instructions, the Anti-Fraud Unit launched an aggressive statewide outreach effort to Oklahoma law enforcement agencies. Each investigator was assigned to a multi-county region with responsibility to personally contact all law enforcement agencies located there. Chief Rick Wagnon also developed an 8-hour CLEET accredited class on insurance crimes to educate rural law enforcement in 20 locations across the state. These efforts were very well received and the Unit received a great deal of positive feedback from officers attending the training.

PUBLIC POLICY

"This year our efforts at the State Capitol were focused on protecting consumers. By updating the statutes related to public adjusters, creating more transparency for Interlocal Entities, and allowing insurance claimants to receive claim proceeds more quickly, our legislative accomplishments in 2015 will serve the people of Oklahoma for years to come."

The Division coordinates the development of the legislative and regulatory initiatives of the Department for presentation to the Oklahoma Legislature and serves as a liaison between the OID and state and federal agencies on insurance-related matters. The Division assists in communicating department policy to the insurance industry and the public.

2015 Legislative Accomplishments

Every legislative session, OID works with state lawmakers to craft bills that benefit consumers and businesses. For OID, 2015 was another successful year at the Capitol. Gov. Mary Fallin signed six OID-requested bills into law. Four of those bills are highlighted below.

- ✿ **Senate Bill 487** provides a Surplus Line Premium Tax Exemption for flood insurance policies covering Oklahoma properties. It also allows a flood insurance policy to be placed with a surplus lines carrier without an initial due diligence search. These changes are intended to foster more private market competition with the struggling National Flood Insurance Program operated by FEMA.
- ✿ **House Bill 1033** prohibits a bail bondsman from refusing to return collateral to a client for reason of nonpayment of premium, prohibits a bondsman from posting a bond for any defendant without a prior agreement, and allows the Commissioner to mandate that any required form or fee be filed in an electronic format.
- ✿ **Senate Bill 340** requires Interlocal Entities which insure educational institutions to annually file an actuarial opinion with the OID. The opinion is then posted on the OID website for public access.
- ✿ **Senate Bill 663** requires insurers that meet a certain high premium threshold to annually file with the Commissioner an Own Risk Solvency Assessment (ORSA). The ORSA is an analysis of all reasonably foreseeable and relevant material risks (i.e., underwriting, credit, market, operational, liquidity risks, etc.) that could have an impact on the insurer's ability to meet its policyholder obligations.

ISO REVIEW PROGRAM

- Oklahoma has 1,649 fire districts publications
- Over 90% of state land is protected by volunteer fire departments
- Many fire districts could improve ISO ratings by keeping better records of firefighter training

How Does the ISO Program Work?

Through the Public Protection Classification (PPC) program, ISO representatives collect information on municipal fire protection efforts in almost 1,700 fire districts in Oklahoma. After analyzing the data, a rating is assigned to each fire department.

How are ISO Ratings determined?

The ISO Program provides a nationwide standard for the rating system that ranges from 1 to 10. A Class 1 rating indicates superior protection, while a Class 10 indicates that the area's protection doesn't meet the minimum criteria.

A community's rating depends on an evaluation of:

- Water supply system like the condition and maintenance of hydrants and the amount of water available
- Fire alarm and communication systems like telephone lines and dispatching systems
- Fire department staff, equipment and training

The OID ISO Division partners with:

If not for the partnership and support of these agencies, ISO coordinators would be limited in some of the areas critical to the goals of the division.

- The Council on Firefighter Training
- Fire Service Instructors of Oklahoma
- Oklahoma Fire Chiefs Association
- Oklahoma Forestry Services
- Oklahoma State Firefighters Association
- Oklahoma State Fire Marshal's Office
- Oklahoma State University Fire Service Training
- Oklahoma Rural Fire Coordinators
- State Department of Agriculture
- Volunteer Firefighters Association of Oklahoma

Guthrie Fire Chief Eric Harlow talked with Commissioner Doak about his department. The Guthrie Fire Department earned an improved ISO rating in 2014.

Accomplishments:

- ★ 163 communities received full PPC grading surveys
- ★ 82% of the graded communities improved their rating
- ★ 450 departments received ISO consultations
- ★ More than 70 county fire department meetings, special events and training functions attended.

Employers can elect to become a "Qualified Employer" under the Oklahoma Employee Injury Benefit Act. Once the employer meets its requirements, it can provide benefits outside the state's Administrative Workers' Compensation system for covered on-the-job injuries, providing a free market approach to medical management and keeping costs reasonable for all parties.
