# Exam Changes

---

- Transition to a one part exam
- Include 2017/2018 law changes
- Reduce number of exam options from 32 to 15
- Simplified exam names
- Exam code numbers will be printed on everything

# One-Part vs Two-Part Exam

---

- Current exam contains two-parts, state and general
- Two-part exam allows a candidate to retake only the portion failed (*Example: pass state but fail general, then only retake the general*)
- Candidates that fail one section of the two-part exam may retake the failed portion only before 07/01/2019. After that time, retakes will be required to complete the entire one-part exam

# One-Part vs Two-Part Exam

continued

---

- New exam will be a one-part exam with both state and general combined
- Requires a candidate to score 70% on the entire exam (both state and general) in one seating
- Candidates that score below 70% on the one-part exam will be required to retake the entire exam
