

2019 Appointment Renewal Notification

The Oklahoma Insurance Department is committed to increasing efficiency and cost savings for the State of Oklahoma. It is important that all licensed carriers keep their **Producer Licensing/Appointment** contact email information updated to ensure prompt receipt of notices regarding appointment renewals and other appointment related inquiries from the Department.

Update Carrier Appointment Contacts Electronically

The Oklahoma Insurance Department requires electronic filing of the UCAA Form 14 for those specific categories listed on the Form.

The NAIC's corporate amendment portal (<https://UCAA.naic.org/login.html>) is available 24/7 to authorized users for electronic processing of the UCAA Form 14. The Form can be completed for one or multiple states, and for one or more contacts in just one filing. Electronic filing of the Form automatically transmits an e-mail to the responsible staff member at each selected State Insurance Department, and requires each of those states to confirm receipt of the filing directly back to the insurance carriers' submitter. The Form remains available to the insurance carrier and the Insurance Departments for 10 years to allow for look-back, long-term recordkeeping and compliance. The NAIC's UCAA Corporate Amendment Application Insurer User Guide can be found by clicking on the following link: http://www.naic.org/documents/industry_ucaa_user_guide_corp_amend.pdf

For additional information regarding UCAA Form 14 or license numbers please contact: Michael Parrott at 918-295-3711 or email UCAA@oid.ok.gov
