## 105<sup>TH</sup> ANNUAL REPORT AND DIRECTORY OF INSURANCE RELATED COMPANIES 2012

**PROTECTING  
OKLAHOMA**

**JOHN D. DOAK**  
INSURANCE COMMISSIONER

**OKLAHOMA  
INSURANCE  
DEPARTMENT**

**COMMISSIONER JOHN D. DOAK**

The Honorable Mary Fallin, Governor of Oklahoma  
The Honorable Brian Bingman, President Pro Tempore of the Senate  
The Honorable T.W. Shannon, Speaker-Elect  
The Honorable Gary Jones, State Auditor and Inspector

I present to you the 2012 Annual Report of the Oklahoma Insurance Department.

In accordance with Oklahoma State Statutes 36 § 307, this report summarizes the financial disclosure and listing of companies operating in Oklahoma and the activities of the Oklahoma Insurance Department through the period ending Dec. 31, 2011.

I am honored to have served the people of Oklahoma and this report demonstrates the work the Oklahoma Insurance Department undertakes on behalf of the citizens of our state. Should there be any questions about the content of this report, my staff and I are at the disposal of both the citizens and elected officials of Oklahoma.

Sincerely,

Handwritten signature of John D. Doak in black ink.

John D. Doak  
Oklahoma Insurance Commissioner

The Oklahoma Insurance Department is accredited by the National Association of Insurance Commissioners (NAIC) until 2015.

To achieve this accreditation, the Department must meet stringent national standards that demonstrate financial solvency regulation of insurance companies.

The accreditation principles set by the NAIC allow the

Department to better protect consumers and set and maintain the highest standards in financial regulation for Oklahoma's insurance industry.

Commissioner Doak and the staff of the Oklahoma Insurance Department view accreditation by the NAIC as an important part of our commitment to the citizens of Oklahoma.

## To the Citizens of Oklahoma,

It has been my great honor and privilege to work on your behalf this past year as Oklahoma's Insurance Commissioner.

In striving to protect consumers and safeguard Oklahoma's insurance industry, the Oklahoma Insurance Department (OID) has accomplished great things in 2012.

This past year, we held the inaugural National Tornado Summit, which garnered national attention for our state and provided a vital platform for collaboration among emergency management planners and the meteorological society.

During the 2012 legislative cycle, we rallied for legislators to offer Oklahomans more options in insurance coverage, strengthen penalties against insurance fraudsters and make pro-business legislation a top priority for our state.

2012 was also a year of reinvention for the Oklahoma Insurance Department. My administration was able to take our goal of community involvement to a new level by creating the Community Outreach Division. Its workers are dedicated to meeting citizens face-to-face and extending our services to every corner of the state. The OID also hired an Insurance Services Office (ISO) Coordinator to help fire departments improve their ISO classification, which could, in turn, lower home insurance premiums for citizens in their community.

All these efforts and more were made this past year in an effort to serve and protect the citizens of Oklahoma. I appreciate the opportunity you have given me and I look forward to continuing this trend of success in the years to come.

Respectfully yours,

Insurance Commissioner John D. Doak

## Commissioner John D. Doak

John D. Doak was sworn in as Oklahoma's 12th Insurance Commissioner on January 10, 2011. For the Tulsa native, it was the culmination of a decades-long dream to combine his two passions: insurance and politics.

Doak's dream to pursue a career in insurance began as a young man. His father, a stockbroker, taught him the value of hard work and the challenges and benefits of operating within a diverse financial network.

Doak's interest in politics was piqued during his days at the University of Oklahoma. It was there, during classes taught by former Oklahoma Gov. Henry Bellmon and former State Rep. Neal McCaleb, that Doak first realized his desire to pursue public office. He graduated in 1988 with a Bachelor of Arts degree in political science.

Shortly after graduation, Doak opened his own branch of the Farmers Insurance Agency in Tulsa. As the business began to grow, he hired other agents to meet the needs of Tulsa-area consumers. Over the course of six years, he

received numerous awards and commendations for his success, including being named Farmers' third Top Life Insurance Salesman in the nation.

Doak next served as an executive for several insurance firms including Marsh, Aon Risk Services, HNI Risk Services, and Ascension Insurance, where he was named Senior Vice President of Acquisitions.

Such diverse experience in the industry, from small business owner to corporate executive, gives Commissioner Doak a unique and broad understanding of how insurance works; knowledge that benefits the businesses and citizens of Oklahoma. He is committed to ensuring that Oklahomans have access to affordable, transparent health insurance within a competitive, robust market that helps businesses succeed.

Commissioner Doak and his wife, Debby, live in Tulsa with their children, Zack and Kasey.

## Consumer Assistance Team

The consumer assistance division is responsible for investigating complaints and inquiries lodged against insurance companies by the public. The division also answers routine requests for information about insurance companies and policies.

The Oklahoma Consumer Assistance Program (OKCAP) is a federal grant facilitated by OID to offer hands-on assistance for Oklahomans. This program helps to educate consumers about their rights and responsibilities under the new health care law, including the right to file a complaint or appeal a decision made by the health insurance carrier. We can also help Oklahoma families find health insurance.

Lower right: OID Employee Michael Pavlik (standing) and Field Representative Amanda Riddle look up information after setting up a Consumer Services table for wildfire victims in Drumright.

# Helping Fellow Oklahomans

OID's Consumer Assistance Team brings valuable information directly to disaster victims and is available year-round to Oklahomans who want answers about insurance.

The primary goal of the Oklahoma Insurance Department is to bridge the gap between consumers and the insurance industry. We aim to educate, assist and protect Oklahomans as they navigate through a sometimes complicated process. Insurance, like few other products, touches nearly every person in the state, from protecting your health, home and property, to providing financial security for the loved ones you leave behind.

## Educate

The Consumer Assistance Division has a wealth of information about insurance-related products. We can help consumers find an agent, compare insurance rates, create a home inventory and much more. The information is easy to find on our website [www.oid.ok.gov](http://www.oid.ok.gov). Oklahomans are also invited to call our Consumer Assistance Hotline at 1-800-522-0071. Our staff is happy to help consumers get the information they need to make an informed decision about insurance-related products.

## Assist

Insurance companies handle millions of claims every year, but despite their best efforts, sometimes problems arise. When consumers feel their claim hasn't been handled correctly, they can file a complaint through the Oklahoma Insurance Department. We are their advocate and will do anything we can to make sure they are treated properly.

## Protect

The Oklahoma Insurance Department is dedicated to protecting Oklahoma consumers. That effort begins with our rigorous financial examination process. Before any insurance product is offered in Oklahoma, we make sure the company is financially sound and able to offer the payout it promised. We also aggressively investigate

claims of wrongdoing, warn the public about current scams and verify which agents are licensed.

## Responding to a Crisis

On April 15th, 2012, a tornado shattered the city of Woodward. Within hours, our Consumer Assistance team had boots on the ground and ready to help. They offered to guide the victims through the claims process and warned them about "fly by night" construction crews already spotted in the disaster area. But the assistance didn't stop there. The OID is dedicated to the long-term recovery in Woodward. Consumer Assistance Analysts continue to help victims navigate the claims process. An OID Field Representative lives in Woodward and is also a member of the Tornado Recovery Team. The OID has pledged to be there until the city is whole again.

## Dedicated to Service

Whether you're a homeowner or a renter, a twenty-something just starting out or a sixty-something entering retirement, we have the ability to answer your insurance-related questions or point you in the right direction. There is no request too small or too large. The OID's Consumer Assistance Division is here to serve you.

### Anti-Fraud Unit

The Anti-Fraud Unit investigates white-collar crimes that threaten Oklahoma policyholders. Their work has resulted in the filing multiple criminal charges including insurance fraud, embezzlement and exploitation of the elderly. All combined, the unit has 154 years of law enforcement experience.

# Protection and Guidance

Stopping exploitation of seniors is one way two very important divisions of OID work together to help Oklahomans.

## Anti-Fraud Unit

The Anti-Fraud Unit aggressively investigates claims of embezzlement, exploitation and fraud. The CLEET-certified law enforcement officers work with their local, state and federal partners to bring offenders to justice. They also conduct administrative investigations of regulatory violations pertinent to the insurance industry. Their hard work proves their dedication to protecting consumers.

The Anti-Fraud Unit conducted numerous important insurance-related criminal investigations over the past year that led to multiple felony charges being filed. These investigations ranged from cases of individual insurance agents embezzling insurance premiums, (thus leaving their clients unprotected,) to insurance agents who abused positions of trust to exploit hundreds of thousands of dollars from their elderly victims.

The Anti-Fraud Unit also responded to cities and towns across the state in the wake of natural disasters. Investigators spoke to victims about avoiding home repair scams and told them how to report allegations of contractor fraud.

A law passed in the 2012 legislative session expanded the powers of the OID's Anti-Fraud Unit, allowing it investigate a wider range of insurance-related crimes. The unit's efforts are supported by the Anti-Fraud Revolving Fund which contains settlements obtained from multi-state lawsuits and investigations. It allows the OID to adequately equip its Anti-Fraud Unit, enabling it to efficiently and effectively protect consumers without taxpayer expense.

## Senior Services

The Oklahoma Insurance Department has several services available to seniors. The Oklahoma Medicare Assistance Program (MAP) is funded through federal grants by the Senior Health Insurance Counseling Program (SHIP) and Senior Medicare Patrol (SMP).

SHIP is a non-profit organization helping to inform the public about Medicare and other senior health insurance issues. This division provides free, accurate and objective counseling, assistance, and advocacy relating to Medicare, Medicaid, Medicare supplements, Medicare Advantage, long-term care, and other related health coverage plans for Medicare beneficiaries, their representatives, or persons soon to be eligible for Medicare. This division is especially busy during Medicare's Annual Enrollment period when the state's 626,000 Medicare beneficiaries can review their Medicare coverage options.

The SMP teaches senior Oklahomans how to protect themselves from Medicare/Medicaid fraud, waste, and abuse. The program also recruits and trains retired professionals and others as SMP Volunteers to help educate beneficiaries about fraud prevention and reporting. SMP provides community programs and materials outlining how to read a Medicare Summary Notice and how to detect and report discrepancies.

# Improving Processes

No matter how good teams are, coaches say there's always room for improvement. OID makes our state better through legislation, collaborations with public safety entities and public awareness efforts.

## Legislative Wins

The Oklahoma Insurance Department works hand-in-hand with lawmakers to pass legislation that will improve the lives of Oklahoma consumers and promote a robust insurance market. Thirteen OID-requested bills were signed by the Governor in 2012. These are just a few victories from the 2012 session.

- Senate Bill 1621 allows small employers to purchase group insurance through an employer association, which helps small businesses save money.
- Senate Bill 1439 enacts tougher penalties for insurance fraud.
- House Bill 2446 creates penalties for Professional Employer Organizations that fail to register with the Oklahoma Insurance Department.
- House Bill 2318 requires examinations of insurance companies once every 5 years instead of once every 3 years, raising the examination standards while spreading the cost over a longer time period.
- Senate Bill 1617 paves the way for more captive insurance companies to do business in Oklahoma by capping their premium tax at \$100,000. This is a business recruitment tool, as currently no active captive companies are domesticated in Oklahoma.
- Senate Bill 1152 increases the amount insurance agents can spend on customers from \$25 to \$100.

## Current Initiatives

**Improving ISO Ratings** – In 2012, Commissioner Doak introduced a plan to improve the Insurance Services Office (ISO) classifications of Oklahoma fire departments, which could ultimately reduce home insurance rates. A fire department's ISO rating is a factor many insurance companies consider when determining premiums. Departments are rated from 1-10, with one being the best and ten being the worst. Of Oklahoma's 1,600 fire districts, 52 percent have ISO ratings of 9 & 10, which results in higher home insurance premiums for people living in those areas. The OID is working closely with the ISO and local fire departments to address the issue. The effort includes educating the public and fire departments about the importance of ISO ratings and how they can improve their classification.

**Uninsured Drivers** – Nearly 25% of Oklahoma drivers don't have auto insurance, even though it is required by state law. This high rate of non-compliance puts thousands of law-abiding residents at risk. If they were to be involved in a crash with an uninsured driver and didn't have their own collision coverage, they may have to pay for all the damages and medical costs out of their own pocket. The OID is working with law enforcement across the state to reduce the number of uninsured drivers by participating in safety checkpoints. The OID also launched a public service announcement campaign, with television and radio spots urging drivers to get covered.

## Marketing and Events Division

The Marketing division coordinates the many events OID is involved in, including conferences to educate the public and industry professionals and information booths at professional conventions, county and state fairs and other public awareness events.

# Reaching out to Oklahomans

From severe weather recovery to best practices in Oklahoma insurance and preventing fraud, OID shares information by holding numerous events throughout the year.

## Events

The Oklahoma Insurance Department is committed to outreach, education and disaster response. We stand ready to respond before, during and after a crisis. But in order to help, consumers have to know that we're available and what type of assistance we can provide. Various events held across the state help to achieve that goal.

### National Tornado Summit

In March 2012, the OID, National Weather Center and National Association of Insurance Commissioners hosted the first-ever National Tornado Summit at the Cox Convention Center in Oklahoma City. The three-day event welcomed more than 800 participants from 26 states. It brought national leaders in meteorology, emergency management and public policy to Oklahoma to find the best practices in disaster management and improve our nation's response to catastrophes. Speakers included Gov. Mary Fallin, Weather Channel meteorologist Jim Cantore, Storm Prediction Center Meteorologist Greg Carbin, Oklahoma City Police Chief Bill Citty and many more. Experts shared information about how to prepare, respond and recover from the devastating effects of severe storms. The overwhelming response allowed for donations to the American Red Cross, the University of Oklahoma and Oklahoma State University. Plans for the 2013 National Tornado Summit are already underway.

### Domestic Conference

The OID hosted more than 100 of Oklahoma's domestic insurance business leaders and elected officials during the inaugural Domestic Conference. During the event, industry leaders received important financial information and provided feedback to elected officials on how to help foster a pro-business environment for Oklahoma insurance.

## Senior Fraud Conferences

The goal of the Senior Fraud Conferences is to teach Oklahoma seniors how to spot and prevent fraud. The seminars, held at locations around the state, featured presentations from our Anti-Fraud Unit, MAP and many more. Seniors learned about the latest scams as well as Medicare Fraud, Funeral Home Trust Fraud, Contractor Fraud and Investment Fraud. They also learned how to spot an imposter at their door. During a "Fraud Fashion Show," utility workers, first responders and city workers wore their official uniforms and described a legitimate home visit.

### 77 County Tour

Commissioner Doak has pledged to visit all of Oklahoma's 77 counties every year he's in office. He can cover 200 miles in one day alone. Stops on the tour include town halls, chambers of commerce, bail bond agencies, insurance agencies, funeral homes and more. Commissioner Doak says the trips are needed to stay in touch with the needs of Oklahomans and make sure they know the OID is available to help. The ambitious effort also reminds citizens that the OID works for all Oklahomans, not just those in the metropolitan areas of Oklahoma City and Tulsa.

## Outreach

In addition to state fairs in Oklahoma City and Tulsa, the OID provides informational booths at city and county events year-round. Representatives from Consumer Assistance and other OID divisions answer questions, address concerns and offer educational materials at the events.

## Continuing Education

The OID also organizes events that educate industry professionals. By attending designated OID events, licensed agents, brokers, bail bondsmen and funeral home operators can learn about the latest industry trends and satisfy state requirements for continuing education.

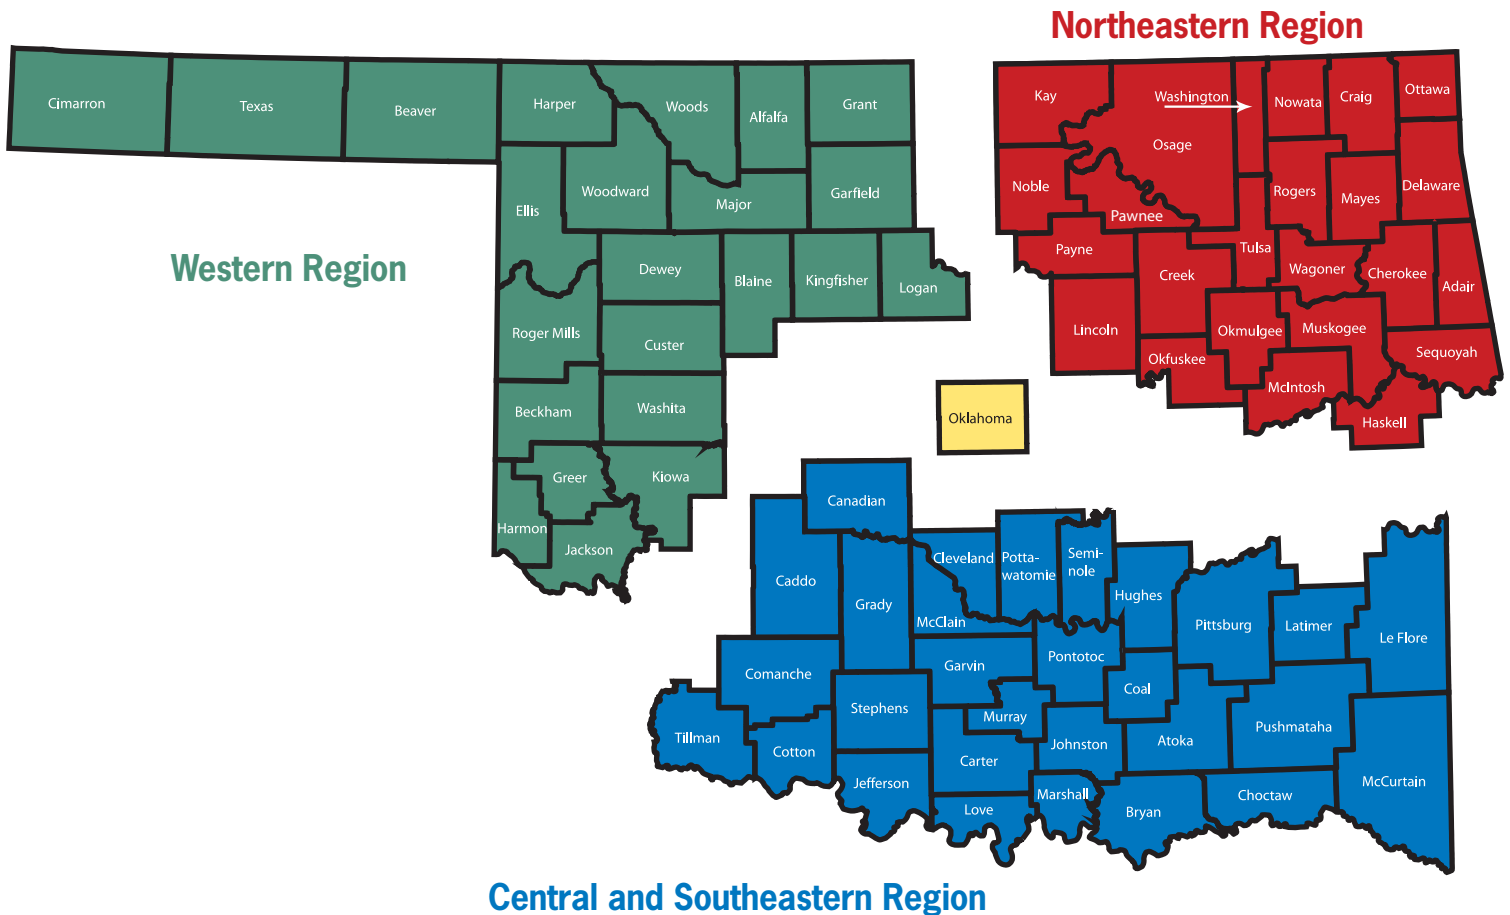

# Going the Extra Mile

The Community Field Representatives provide a direct link between communities and the Oklahoma Insurance Department. They are strategically positioned across the state to reach as many people as possible.

The Community Field Reps establish relationships with the people they serve by attending community meetings, Chamber of Commerce luncheons and other events in their assigned area. They work hand-in-hand with consumers, insurance agents, bail bondsman, licensed adjusters,

funeral home operators and firefighters.

These relationships are particularly important after a disaster, when victims may be unsure of what to do next. By having OID boots on the ground immediately, we can quickly get them the help they need. Community Field Reps can provide expertise on insurance-related issues and implement a course of action to resolve a complaint. They also give presentations and train community organizations and OID-licensed groups.

## Field Operations

The Field Representatives are responsible for field operations, which include dealing with insurance-related issues and working with fire departments to help improve their Insurance Services Office (ISO) ratings. The Field Representatives are liaisons for the Oklahoma Insurance Department throughout the state. They are responsible for resolving complaints, answering questions and assisting consumers, producers and OID licensed groups with insurance-related issues.

### Financial Audit

The Comptroller's Division works soon after fiscal year end to prepare OID's annual financial statements and related disclosures in preparation for the annual audit conducted by an independent public accounting firm. OID believes in a thorough and complete review of the accounting and financial records, fully cooperates in the audit process and willingly opens the financial records for independent review. The financial results from OID are rolled into the State of Oklahoma's Comprehensive Annual Financial Report (CAFR.) OID once again this year received a clear or unqualified opinion from the independent auditors. A copy of the auditor's report is available upon request.

## Licensed Insurance Companies

The following section illustrates basic financial and other pertinent information concerning the approximately 1,500 insurers licensed as admitted carriers by the Oklahoma Insurance Department. An insurance company that wishes to conduct business in Oklahoma is approved to do so only after a thorough review of its financial condition, record of consumer-related conduct, and any other matters that the Oklahoma Insurance Commissioner deems relevant.

Most insurance policies written in Oklahoma are protected by a Guaranty Association, established to protect policyholders in the event an admitted company becomes financially insolvent.
