TO: All Insurance Companies and Insurance Producers Transacting Business in Oklahoma
FROM: Kim Holland, Oklahoma Insurance Commissioner
SUBJECT: Guidance Regarding Use of the NAIC/NIPR Attachments Warehouse for the Electronic Filing of Insurance Producer Licensing Documents

Purpose

The purpose of this bulletin is to advise all insurance companies and insurance producers transacting business in Oklahoma that the Oklahoma Insurance Department will immediately begin to accept documents and notices submitted on behalf of insurance producers through the NAIC/NIPR Attachments Warehouse, which allows for the electronic filing of insurance producer licensing related documents.

Attachments Warehouse

The Attachments Warehouse is a secure regulatory database which electronically receives, stores, and shares licensing documents with States that are submitted with respect to applications and/or renewals of insurance producer licenses through the National Insurance Producer Registry (NIPR), a non-profit affiliate of the National Association of Insurance Commissioners (NAIC). If additional information in the form of documentation is required by the Oklahoma Insurance Department with respect to an individual producer licensing transaction, this documentation may be submitted via the Attachments Warehouse.

Notification and Reporting of Actions

The Attachments Warehouse may be used to allow insurance producers to satisfy their regulatory requirements for the notification and reporting of administrative and criminal actions to the insurance commissioner pursuant to 36 O.S. §,1435.13. Insurance producers may send the required notification and documents to the Attachments Warehouse electronically in lieu of faxing or mailing to the Oklahoma Insurance Department.

Oklahoma is now accepting the electronic notification and reporting of actions submitted electronically to the Attachments Warehouse and will recognize that the reporting of the action to the Warehouse, the subsequent e-mail alert to the Oklahoma Insurance Department, and the state's ability to retrieve, review and download that attachment shall satisfy the statutory requirements of the producer to notify and report the action to the Oklahoma Insurance Department.

Effective Date

This bulletin is effective immediately.
