I graduated from high school in Buffalo, Oklahoma in 1990. I then went to Oklahoma State University and graduated in 1994 with a degree in Accounting and a minor in Finance. During my last summer in college I was an intern with the Oklahoma Banking Association and then worked part-time at Stillwater National Bank during my last semester of college. Upon graduation I moved to Oklahoma City and took a job with Arthur Andersen in the audit division in January of 1995. In May of 1998 I took a job in the oil and gas industry with Louis Dreyfus Natural Gas which later became Dominion Exploration. It was a new position working on budgets and forecasts for oil and gas production and capital expenditures. In 2003, I got my real estate license and started full-time in the real estate industry. I first worked with Churchill-Brown and then in 2009 moved my license to Keller Williams. During that time, I have held every office with the Edmond Board of Realtors and was President in 2012. I served on the Executive Committee with the Oklahoma Association of Realtors in 2013. I was fortunate to be awarded Edmond Board of Realtors' Most Cooperative Realtor in 2006 and Realtor of the Year in 2012. I have been a top producer each year with Keller Williams.

My high-school sweetheart Carmel and I have been married for almost 25 years and have 4 kids. Our oldest recently married and is a Junior at the University of Central Oklahoma. Our next oldest is a freshman at the University of Central Oklahoma. We have a sophomore at Edmond Memorial and an 8th grader who studies with Epic. We have lived in the Edmond area our entire marriage and are involved with various civic and church activities.
