Insurance Mentoring
Continuing Education Course

Requirements:

• Over the age of 65 and has been in the insurance industry for 20 or more years
• Oklahoma insurance license is active and in good standing
• Each CE compliance period, fax or email signed attestation to the OID as proof that the licensee has adhered to the course definition below
• Signed form must be received prior to license expiration date
• Renew license electronically after the license shows CE compliant (allow two weeks for CE Mentor to be applied to license)

Course definition:

The course will require the licensee to relay insurance knowledge by mentoring and educating others in the industry and citizens. This can be done in various ways. Examples include, but are not limited to, discussing insurance at a civic organization, church membership, professional organization, with fellow insurance professionals, volunteering as a SHIP counselor, or assisting someone in understanding basic insurance concepts and ideas.

A licensee in this course would sign an attestation that they have contributed twenty-four (24) hours of mentoring in the current license period or will contribute twenty-four (24) hours of mentoring in the upcoming license period. The completion of this course would meet the CE requirements, worth twenty-four (24) hours of CE including 19 hours of general, 3 hours of ethics and 2 hours of legislative updates.
