

**IMMEDIATE ATTENTION IS REQUIRED – COMPANY CONTACTS**

**Title 36 O.S. § 122: “A. The Commissioner shall have the authority to require any entity obligated to submit or file documents with the Insurance Department to file the documents electronically. B. The documents referred to in subsection A of this section include, but are not limited to, forms for compliance, rate filings, or annual, quarterly, or other financial statements. C. The Commissioner may promulgate reasonable and necessary rules concerning the implementation of this section.”**

The Oklahoma Insurance Department has moved to a more paperless environment compelling the need for updated contacts from all licensed insurance companies.

The Department requires electronic filing of the UCAA Form 14 for specific company contact categories listed on the Form (see below). Every licensed insurance carrier must provide current contact information to the Department, **including email addresses**. If your company has not already filed the UCAA Form 14 electronically to provide or update these necessary contacts, please do so immediately.

The NAIC’s corporate amendment portal (<https://UCAA.naic.org/login.html>) is available 24/7 to authorized users for electronic processing of the UCAA Form 14. Navigate to the Corporate Amendment portal and select **“Contact Information”** to complete the UCAA Form 14.
