

Shane Willard

I was born and raised in Choctaw, Oklahoma. My wife and I currently live in Midwest City where we raised our two children. Our son, Hunter, has started his first year at Rose State College. Our daughter, Madison, is stationed in San Diego with her Navy husband, Victor. When not selling Real Estate, I enjoy spending time with my family and friends and doing civic work volunteering in my community.

I have a full-time Real Estate team consists of an administrative assistant, marketing director/coordinator, inside sales agent, seven buyers agents, my do-it-all wife, and myself.

My wife, Stacy, is the principal broker at CENTURY 21 Goodyear Green (**the largest CENTURY 21 in the state**) and that is where we proudly call home today.

I have been an active participating member in the Mid-Del- Moore Association of Realtors since 2005 and served as President of the Association in 2012. I have won numerous awards including Rookie of the Year, Most Cooperative Realtor, Top 21 Sales Associate, Realtor of the year 2012, and Outstanding Committee Service Award 2011-2014 to name a few. I am also a member of the National Association of Realtors (NAR).

I am actively involved in a number of organizations outside of Real Estate including Midwest City Rotary Club, 2020 and 2021 President for the Midwest City Chamber of Commerce, and a member of the Choctaw Chamber of Commerce. I regularly attend any and all events hosted by these organizations each year.
