OPTins Electronic Filing Instructions

Register with OPTins at www.optins.org or by calling 816-783-8500.

NOTE: Registration can take up to two weeks to complete. I strongly encourage you to register with OPTins as soon as possible.

- Once registered is confirmed by OPTins, you will be able to begin submitting your renewal application each year through OPTins.
- About 15 to 30 days before the license's expiration date, begin the renewal process by logging into OPTins at www.optins.org.
- Select the "Filings" tab, then "Create Filing." Enter the filing year, select "Oklahoma Regulated Entities" as the state, and choose "Viatical Settlement Provider."
- Download into an Excel file format, review, complete the VSP Checklist and then upload it.
- Open the license application form, complete it and save it in the same Excel format. Do not paste data into the cells or change the Excel format since that will create an error. Upload the application to the same location where you found it.
- Upload all other documents listed on the checklist as PDF files.
- Proceed to the payment screen to submit your payment.

All questions regarding OPTins must be directed to OPTins at 816-783-8500.
