## **OSBI/FBI FINGERPRINT BACKGROUND CHECKS**

### **Privacy Act Statement and Applicant Notification**

**Authority:** The FBI's acquisition, preservation, and exchange of fingerprints and associated information is generally authorized under 28 U.S.C. 534. Depending on the nature of your application, supplemental authorities include Federal statutes, State statutes pursuant to Public Law 92-544, Presidential Executive Orders, and federal regulations. Providing your fingerprints and associated information is voluntary; however, failure to do so may affect completion or approval of your application.

**Principal Purpose:** Certain determinations, such as employment, licensing, and security clearances, may be predicated on fingerprint-based background checks. Your fingerprints and associated information/biometrics may be provided to the employing, investigating, or otherwise responsible agency, and/or the FBI for the purpose of comparing your fingerprints to other fingerprints in the FBI's Next Generation Identification (NGI) system or its successor systems (including civil, criminal, and latent fingerprint repositories) or other available records of the employing, investigating, or other responsible agency. The FBI may retain your fingerprints and associated information/biometrics in NGI after the completion of this application and, while retained, your fingerprints may continue to be compared against other fingerprints submitted to or retained by NGI.

**Routine Uses:** During the processing of this application and for as long thereafter as your fingerprints and associated information/biometrics are retained in NGI, your information may be disclosed pursuant to your consent, and may be disclosed without your consent as permitted by the Privacy Act of 1974 and all applicable Routine Uses as may be published at any time in the Federal Register, including the Routine Uses for the NGI system and the FBI's Blanket Routine Uses. Routine uses include, but are not limited to, disclosures to: employing, governmental or authorized non-governmental agencies responsible for employment, contracting, licensing, security clearances, and other suitability determinations; local, state, tribal, or federal law enforcement agencies; criminal justice agencies; and agencies responsible for national security or public safety.

**Applicant Record Challenge:** Before a final decision is made, you have the opportunity to complete or challenge the accuracy of the information contained in the FBI identification record. The procedure for obtaining a change, correction, or updating an FBI identification record is set forth in Title 28, CFR 16.34. For information on updating the national criminal history record, visit [www.FBI.gov](http://www.FBI.gov) or <https://www.fbi.gov/cjis/identity-history-summary-checks#challenge-of-an-identity-history-summary>.

If certified documents are obtained for the purpose of updating your criminal history record, the documents should be forwarded to the FBI and to the repository in the state where the arrest occurred.

**THE REAL ESTATE APPRAISER BOARD WILL NOT DENY YOUR APPLICATION UNTIL YOU HAVE BEEN AFFORDED A REASONABLE OPPORTUNITY TO CORRECT OR COMPLETE THE RECORD, OR UNTIL YOU HAVE DECLINED TO DO SO.**

**Submissions must be received and administratively approved at least five (5) working days prior to a Board meeting or it will be held over until the following meeting.**

## Applicants with a History of Criminal Conviction

In accordance with 59 O.S. § 4000.1, the Oklahoma Real Estate Appraiser Board has formally adopted a list of criminal offenses which, by the Board's determination, substantially relate to the practice of appraising and pose a reasonable threat to the public or others working in the same occupation. The Board is authorized to deny the application of any person with a conviction of any of these offenses.

If you have a criminal conviction, pursuant to 59 O.S. § 4000.1, prior to submission of an application for licensure you may submit, *in writing*, a Request for Initial Determination of Eligibility as to whether your criminal history might disqualify you from licensure as an appraiser. **Your written request must include:** a copy of your criminal history record with explanation of each conviction; OR a statement describing each criminal conviction including the date of the conviction, the court of jurisdiction, and the sentence imposed. **You may include** additional information for consideration including but not limited to your current circumstances, the length of time since conviction, evidence of rehabilitation, testimonials, personal reference statements, and employment aspirations.

The Oklahoma Real Estate Appraiser Board will review each request, and all accompanying materials, and shall issue a Notice of Initial Determination to the requestor, in writing, within sixty (60) days of receipt of the request. The Notice of Initial Determination will contain the following statements:

1. Whether the person appears eligible for licensure in the occupation at the current time based upon the information submitted by the Requestor;
2. Whether there is a disqualifying offense prohibiting the person's engagement in the occupation at any time and a statement identifying such offense in the criminal history record or information submitted for consideration;
3. Any actions the person may take to remedy what appears to be a temporary disqualification, if any;
4. The earliest date the person may submit another request for consideration, if any; and
5. A statement that the Notice of Initial Determination is only an initial determination of eligibility for licensure or certification in the occupation based upon the information provided by the Requestor. The requestor is still subject to an OSBI/FBI fingerprint background check upon application.

The Director is authorized to close a file requesting initial determination of eligibility when the person seeking determination of eligibility for licensure has failed to respond to a written request from the Board for information, within sixty (60) days of the written request from the Board.
