# BUILDING A Home inventory

The information you put into this home inventory file can make an insurance claim settlement faster and easier. With this file, you will have a record of your property in order to help make an accurate insurance claim. Please keep your home inventory file in a safe deposit box or another safe place outside your home. It would be helpful if you made a copy of this file and other important papers such as birth certificates, deeds, etc. and put the originals into safekeeping.

#### **HOME INVENTORY TIPS**

- List every item of value in your house.
- □ Include the serial numbers of all items that have them.
- Continuously update your home inventory as you acquire new items.
- **G** Keep all receipts along with a description of the items.
- □ Keep a detailed record of antiques, jewelry, major appliances and collector's items.

#### **PHOTO TIPS**

- Take both wide angles and close-up shots.
- Have a family member in all pictures to help verify ownership.
- To demonstrate quantity of clothing, open closet doors.
  Take pictures of open drawers to show contents.
- When taking pictures of a shiny or reflective surface, hold camera at a 45 degree angle.
