

## **Alien Surplus Lines Unauthorized Insurers ANNUAL FILING REQUIREMENT**

Alien Surplus Lines Insurance Carriers appearing on the NAIC's Quarterly Listing of Alien Insurers and the Oklahoma Insurance Department's "Whitelist" must complete the attached voucher and pay the renewal fee of \$650 on or before August 30<sup>th</sup> annually.

This allows the insurer to remain on Oklahoma's Whitelist of Approved Surplus Lines Companies (also includes a listing in our online company database) available for public viewing. Failure to complete this filing and pay the annual renewal fee will cause the listing to be removed from Oklahoma's Whitelist and the company information to be rendered inactive from our online company database.

Please complete the voucher and pay the fee via [OPTins](#).
