

Pursuant to 36 O.S. §311.4 (C), all insurers filing a Market Conduct Annual Statement (MCAS) for Oklahoma are required to pay a \$200.00 MCAS filing fee directly to the Oklahoma Insurance Department due at the time of filing, in accordance with NAIC filing deadlines. Please note the addition of subsection (G) which provides a penalty for any violation of § 311.4. Please confirm your Company meets the participation requirements in Oklahoma before remitting a filing fee.

Paper checks are no longer accepted per LH 2015-03; P&C 2015-05. All MCAS fees must be remitted through OPTins as an electronic funds transfer (EFT). There are two different payment types available; ACH credit and ACH debit.
